

COCHRANE HORSE TRIALS CLINIC

SUNDAY AUGUST 6, 2017

Attending the Cochrane One Day Event? Not ready to go home right away? Stay and take part in the Cochrane Horse Trials Clinic.

Clinicians are Lynda Ramsay and Leahona Rowland.

Lynda will be working with the Dressage riders. You can take this opportunity to ride your test from the day before, as part of your flat lesson and find out how to improve your score. Or, you may want to have a lesson that will include the movements for a test the next level up as you are considering upgrading. Spots will be limited so that riders may have private lessons.

Leahona will take the interested riders out on Cross Country and you can work on the lines that may have caused some issues the day before or you can school the next level up. This can help get you ready for the Alhambra Summer Event that follows a few weeks later!

You can ride with both instructors or just one - it is your choice.

Cost is \$75/lesson. Stabling for Saturday night is \$35 and can be added to your Event stabling cheque. Please make sure you include a note to the Show Secretary so she knows what the extra money is for.

Registration form will be available soon on the Cochrane Horse Trials web site.

If you have any questions, contact Kathleen Ziegler via cochranehtclinic@gmail.com
